

# Dale Chapman Surf Designs

Situated in the heart of surf central (Burleigh Heads, Australia) and surrounded by big names such as Billabong, Quiksilver & Oakley, Dale Chapman Surf Designs is currently designing shapes for the future.

Up to date advances in technology and an ongoing push for innovation, design and quality have ensured the customer is provided with the best product available on the market today.

With a large variety of different fin systems, designs & finishes and the use of only top quality material, our boards are totally unique and custom made.

## Fish Model

Length	5'10"
Width	19 3/8"
Thickness	2 1/2"
Tail Shape	Swallow
Bottom Shape	Single Double Concave
Fin System	Glassed In

### Info:

Fast & maneuverable in 1 to 3 foot waves, the Fish Model substitutes length for both thickness and width which makes these boards great in small surf.

## Standard Shortboard

Length	6'4"
Width	18 1/2"
Thickness	2 3/8"
Tail Shape	Rounded Square
Bottom Shape	Single
Fin System	FCS

### Info:

Ranging from 6'0" to 6'8" an "all rounder" this selection of curves allow for tight maneuvers and riding in the pocket.

## Guns

Length	6'11"
Width	18 1/4"
Thickness	2 3/8"
Tail Shape	Square
Bottom Shape	Single Concave
Fin System	Future Fins

### Info:

Ranging from 6'6" to 8'0". Extended rockers & long drawn out curves allows for ease of paddling & will assist in long drawn out turns in larger surf.

## Executive Model

Length	6'10"
Width	19 1/2"
Thickness	2 1/2"
Tail Shape	Rounded Square
Bottom Shape	Vee
Fin System	FCS

### Info:

The executive model is a hybrid shape coming in between mini-mals & shortboards. An ultra forgiving board that is easy to paddle & great for the weekend warrior. This board maneuvers like a shortboard but feels like a mini-mal.
